Bulldog Gold

Gold is designed for finishing and heavy stock removal. Aluminum Oxide grain delivers a fast, exceptional long lasting cut. Proprietary backing is stronger than other competitive brands. A special stearate coating is used to maximize resistance to clogging and loading. A unifor, semi open coat design produces an even consistent scratch pattern.

Back Up Pads for Grip On Discs

CABUP-12028 5" x 5 hole 5/16" – 24 shank

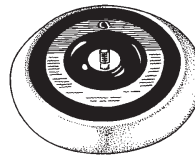

Back up pad for use with Grip On discs. Incorporates unique hook and loop fastening system for neat, clean application and removal.

Back Up Pads and PSA Conversion Discs and Strips for Stick On Discs

CABUP-12021 5" x 5/16" – 24 shank

Vinyl faced pad for use with stick on discs or conventional discs using disc adhesive.

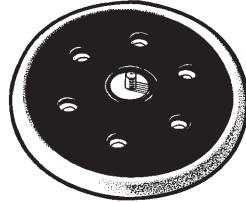

Abrasives

**Back Up Pads for
 Vacuum Stick On Discs**
CABUP-12025

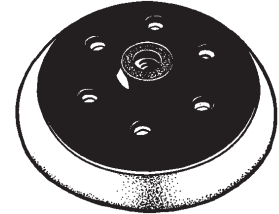

5" x 5 hole 5/16" – 24 shank
 Vinyl faced pad for use with stick on discs with standard 5" vacuum hole patterns.

**Back Up Pads for Grip
 On Vacuum Discs**
CABUP-20358

5" x 5 hole 5/16" – 24 shank
 Unique hook and loop fastening system for use with standard 5" and 6" vacuum hole patterns.

EZ Touch Contour Sponges

4 1/2" X 5 1/2" X 3/16" – one sided

For hand sanding and uniform finishing of wood, metal, fiberglass, composites, plastics and solid surfaces, and primed, stained, sealed and painted surfaces.

Features

- Thin, coated on one side with aluminum oxide or silicon carbide abrasive
- Design with superior flexibility
-

Benefits

- Can be used wet or dry, washable
- Ideal for flat, curved, contoured and hard to reach areas
-

<u>Part #</u>	<u>Grading</u>
