Dust Masks

8511 Particulate Respirator with Valve TM8511

Uniquely designed to help provide protection. It is ideally suited for work settings that involve heat, humidity or long periods of wear. Work place applications include grinding, sanding, sweeping, bagging and other dusty/hot operations. It features the 3M Cool Flow Exhalation Valve and adjustable M-nose-clip to help provide custom fit and secure seal. Available 20 per box. Case quantity of 8.

2200N Series

ML2200 Dust Mask W/Valve 10/bx

NIOSH certified under 42CFR84. exhalation valve lets workers breathe easy and stay cool. Dura-Mesh shell resists collapsing in heat and humidity. Molded nose bridge seals easily and comfortable without a metal noseband. Face piece is naturally contoured without pressure points. Soft spun lining for increased comfort and durability. Straps are securely attached so they don't break at the seal. Flame-retardants added to decrease flammability of shell.

8000 Particle Respirator TM8000

Tow strap design with single point attachment helps provide a secure fit. Adjustable nose clip reduces eyewear fogging and helps ensure a better seal and fit. Light weight construction enhances worker comfort and wear time. Patented filter media with advanced electrostatically charged micro fibers help make breathing easier and cooler for user comfort. Available 30 per box. Case quantity of 12.

2300N Series with Valve ML2300

2300N Series N95 Respirators. NIOSH certified under 42CFR84. Exhalation valve lets workers breathe easy and stay cool. Dura-Mesh shell resists collapsing in heat and humidity. Molded nose bridge seals easily and comfortable without a metal noseband. Face piece is naturally contoured without

8210 Particulate Respirator TM8210

Designed to help provide comfortable, reliable worker protection against certain non oil based particles. Its light weight construction promotes greater worker acceptance and comfort and increased wear time. Work place applications include grinding, sanding, sweeping, bagging and other dusty operations. This respirator features 3M's Advanced Electret Media (AEM) and adjustable nose clip to help provide a custom fit and secure seal. Sonic welded adjustable straps. Available 20 per box. Case quantity of 8.

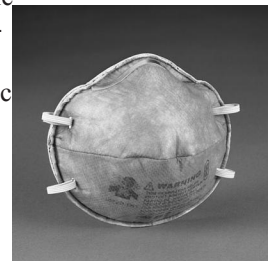

pressure points. Soft spun lining for increased comfort and durability. Straps are securely attached so they don't break at the seal. Flame retardants added to decrease flammability of shell. Available 10 per box. Case quantity of 12.

8247 Particle Respirator TM54358

Designed to help provide comfortable protection against certain oil and non-oil based particles including those present with nuisance levels of organic vapors, such as solvents, degreasers, and resins. Suggested applications include foundry operations, lab settings, agriculture, petrochemical manufacturing and undercoating where particles and nuisance levels of organic vapors may be present. Lightweight construction promotes greater worker comfort and contributes to increased wear time. Available 20 per box. Case quantity of 6.

MXV Dust Mask FCMXV

These high quality dust masks are perfect for general purpose non toxic applications where dust and particles are present. The Easy Breath exhalation valve keeps the dust out and helps prevent the fogging of your safety glasses while you work. Available in a box of 10.

Respirators and Accessories

7500 Series Halfpiece Reusable Respirator

These half facepiece respirators have a soft sealing surface, along with a uniquely designed 3M Cool Flow Exhalation Valve for comfort. Case quantity of 10.

Part #	Size
TM37082	Medium
TM37083	Large

52P71 Halfpiece Disposable Respirator

TM66069

NIOSH approved against certain organic vapors and particulates. Use for a variety of applications including spray painting, pesticides agriculture, construction and transportation. When properly fitted, it helps provide respiratory protection up to 10 times the Permissible Exposure Limit. Do not use in environments that are immediately dangerous to life or health. Size medium. Case quantity of 12.

Paint Spray Respirator Kit

Soft durable face piece with extra wide sealing surface for a comfortable fit. Low maintenance. No gaskets or yoke to replace. Has a low profile for a wide angle field of vision. Extra large exhalation valve reduces hot air build up, and lowers resistance.

Part #	Description
ML8112	Respirator complete kit
ML8910	Prefilter 5 pair per pack
ML8020	Prefilter retainer 10 pair per box
ML8100	Organic vapor cartridge 5 pair per box

6001 Organic Vapor Cartridge

TM21674

NIOSH approved against certain organic vapors. Use 3M Half and Full Facepieces 6000 Series and 3M Half and Full Facepieces 7000 Series with bayonet style cartridge holders. use a variety of workplace applications, including petrochemical, chemical manufacturing, construction, transportation and electronics. When properly fitted, it helps provide respiratory protection from certain organic vapors at concentrations up to 10 times the Permissible Exposure level with half facepieces or 50 times with full facepieces. Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode. Case quantity of 60.

5P71 Particulate Filter

TM07194

NIOSH approved for environments containing certain oil and non-oil based particles. use with 3M Respirators 5000 Series or 3M Respirators 6000 Series, and 3M Filter Retainer 501. When properly fitted, use with appropriate cartridges for various applications including spray painting, lacquering, petrochemical and chemical manufacturing, pesticide spraying and agriculture. Full facepieces must be quantitatively fit tested to claim assigned protection factor above 10 in negative pressure mode. Available 10 per box. Case quantity of 10.

Retaining Clip Ring

TM17668

For use on 3M Half Facepiece Respirators 5000, 6000, and 7000 Series with the 3M Particulate Filters 5N11 and 5P71 Filters. Available 20 per box. Case quantity of 5.

Maverick Hardware

Earplugs & Safety Glasses

Section N-9: Dust Masks, Earplugs, and Safety Glasses

Spark Plugs

High NPR 30 rating. Random fun colors increase compliance. Extra soft, low pressure foam for comfort and fit. Tapered shape for easy removal. Shaped to fit even very small ear canals. Non irritating smooth surface. Available with or without cord. Sold per box.

Part #	Description
ML6604	Without cord
ML6654	With cord

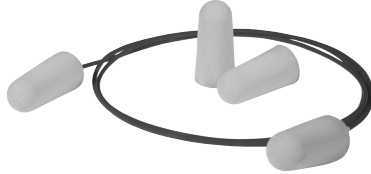

Pura Fit

Tapered for easier insertion. Improved softer foam for maximum comfort. Hygienically packaged in bio-degradable paper pouches. Non-irritating, smooth surface. NRR31 high rating. Longer length for easy fitting and removal. Brightly colored for easy compliance checks.

Part #	Description
ML6800	Without cord
ML6900	With cord

Cat Eyes Safety Glasses

Fastcap now offers superior quality safety glasses at low FastCap prices. We have four styles to choose from to fit all your needs. The SG510 Series glasses are quality built with shatter-proof wrap-around lenses, rubber nose pieces, adjustable length arms, and reinforced temples. All of our safety glasses (except the mirrored ones, sorry!) now feature an amazing anti-fog feature. No more foggy lenses! You can see clearly now.

- Four lens styles to choose from
- Shatter-proof wrap-around lenses
- Rubber nose piece for added comfort
- Adjustable length arms
- Reinforced temples
- UV protection

Part #	Color
FCSG-AF-A510	Amber
FCSG-M510	Mirrored
FCSG-AF-P510	Clear
FCSG-AF-T510	Tinted
FCSG-AF-GOGGLES	Clear

Foam Ear Plugs

3M Expandable Foam Ear Plugs. Noise reduction rating of 29 dB. Smooth dirt resistant surface, tapered design to fit the ear canal, provide added comfort and hygiene. Hypo-allergenic material. Sold per box.

Part #	Description
TM1100	Without cord
TM1110	With cord

Cat Eyes Safety Glasses Mags

We took our ultra-comfortable CatEyes Safety Glasses and incorporated a powerful diopter. This new design will help you read small marks with ease. Available in 4 different strengths. Ultra comfortable.

Part #	Description
FCSG-AF-MAG1.5	+1.5 Diopter
FCSG-AF-MAG2.0	+2.0 Diopter
FCSG-AF-MAG2.5	+2.5 Diopter
FCSG-AF-MAG3.0	+3.0 Diopter
